

Berwick Literary Festival

COULD YOU BE A PATRON?

The Berwick Literary Festival (which was first held in 2014) is now an established part of the Town's cultural life taking place each October. The Festival comprises talks and other events at various local venues at which books of various kinds are discussed. A number of the events are particularly geared towards children and young people.

The financial support of our Patrons is crucial in enabling the Festival to be mounted. In order to continue to develop the Festival, the Steering Group is seeking to recruit new Patrons to help to provide the core income upon which the Festival depends. The cost is £25 (more if you wish) per Patron. In return, your name would, unless you request otherwise, be included in the Festival's printed programme. In addition, all Patrons are offered two free tickets for one of those events for which there is a charge and they receive a discount on a weekend pass.

We very much hope that you or someone you may know will be able to support the Festival by becoming a Patron. If you are willing to do so, please contact me by e-mail or using the reply slip below. We very much hope will feel able to do so and look forward to welcoming you in October.
